Status Inquiry

Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants request an update on the status of the present application because it has been over twenty-one months since applicants filed a response on January 22, 2001.

1. **Background**

In a teleconference on October 2, 2002, Examiner William Leader told Semitool, Inc. that the US Patent Office database did not show that the Patent Office had received a response to the Office Action dated October 3, 2000. Examiner Leader also informed Semitool that the application is currently at the Board of Patent Appeals and Interferences. Applicants believe that the Patent Office database is incorrect because a response to the October 3, 2000, Office Action was received by the Patent Office on January 25, 2001. Additionally, a Status Inquiry was filed on March 11, 2002, and a Revocation and Substitute Power of Attorney was filed on May 10, 2002. Applicants hereby request that the status of the application be corrected to accurately reflect the filings by the applicants.

2. Statement of Facts Supporting The Timely Filing of a Response

On January 22, 2001, Mr. Robert B. Polit filed a response entitled RESPONSE TO OFFICE ACTION DATED OCTOBER 3, 2000 (Exhibit A). Mr. Polit also filed a petition for a one-month extension of time and a fee transmittal sheet authorizing the Patent Office to charge Deposit Account No. 50-1606 in the amount of \$110.00 for the extension of time fee. Mr. Polit subsequently received a return postcard stamped by the OIPE dated January 25, 2001 (Exhibit B). Additionally, Deposit Account No. 50-1606 was debited \$110.00 on January 29, 2001, for fee code 115 regarding U.S. Application No. 08/940,686 (Exhibit C).

The evidence unambiguously establishes that a response to the Office Action dated October 3, 2000, was received by the Patent Office on January 25, 2001. Applicants accordingly request that the response dated January 22, 2001, be entered in the application.

3. Additional Papers Filed by Applicants

In addition to the response dated January 22, 2001, a Status Inquiry was filed via facsimile on March 11, 2002 (Exhibit D), and a Revocation and Substitute Power of

Attorney; Docket No. 291958192US00

Attorney was filed on May 10, 2002 (Exhibit E). Applicants also request that these documents be entered in the file.

Respectfully submitted,
